At 2104 Olean City Firefighters were dispatched to a report of a person in the water of the Allegany River. The nearest location was reported to be E Green St. Firefighters responded to the area with of E Green St and S 4th at Franchot Park to begin searching. Crews searched the area by foot along the northern river banks. Unable to locate anything from the shore, OFD deployed the boat and checked the area from the water. OPD assisted on scene with interviewing the caller and use of their Drone to search. After search efforts were exhausted with no signs of anyone in the water the units on scene cleared. The incident lasted just over an hour. Allegany and Westons Mills were placed on stand by for their water rescue teams as well.
