

The City of Olean is seeking proposals for the design and installation of a 2" RPZ backflow preventer and associated plumbing at the State Police Barracks at 722 Homer Street, Olean, NY.

1. The City of Olean will purchase the device that will be installed. Details of the device will be given to the contractor upon request.
2. The plumber doing the installation will have to be licensed and approved to do work in the City of Olean.
3. All work performed must meet New York State Prevailing Wage requirements.
4. Deadline for proposals is Thursday, Feb. 23, 2023.

Please contact the City of Olean Water Department personnel below to arrange a time to meet at the State Police Barracks and assess the project.
