REVISED REVISED

Local Traffic Only on Prospect Avenue and York Street on Halloween

October 14, 2014—Olean--Halloween in the City of Olean will be celebrated on Friday night Oct 31st, 2014 from 6:00-8:00 PM. Both Prospect Avenue and York Street are still under heavy construction and will be designated as **local traffic only** for that evening.

“Given the circumstance and the ongoing construction on the two streets, we are asking residents to use caution if they visit Prospect Avenue or York Street to trick-or-treat, stated Mayor Aiello. Mayor Aiello continues, “I am sorry for this inconvenience; however I think residents understand the need for caution during the construction process.”
