PUBLIC ACCESS CHANNEL 6 MOVED TO CHANNEL 1301

April 5, 2017—Olean—William J. Aiello, Mayor of the City of Olean, would like residents of Olean to take note that with the Charter Spectrum upgrades to cable access television service in Olean, the Public Access Channel 6 will be relocated to Channel 1301 in the Basic tier.

“A number of Olean residents tune into Channel 6 on Tuesdays when Common Council Meetings are held and it is important for our residents to know that the meetings will now be broadcast on Channel 1301,” Mayor Aiello said. “I do not want citizens to be caught off guard when they try to tune into the next Common Council meeting on Tuesday, April 10, 2018, and am grateful that a resident brought this information to my attention.”

Mayor Aiello added, “Please tell your friends and relatives that if the meeting is not on Channel 6, it will be broadcast on Channel 1301.”
