### **Signs Installed to Remind Residents that City of Olean Parks are Smoke-free**

**September 17, 2020—Olean**—The City of Olean is currently installing signs to remind residents that Olean’s parks are tobacco free.

“Last year the Common Council passed Resolution #80-19 which banned the use of tobacco, nicotine or vapor devices in city-owned recreational facilities,” William J. Aiello, Mayor of the City of Olean said. “We are pleased that Reality Check CCA partnered with the City to produce the signs that are now being installed throughout the City’s Park system.”

“With the COVID-19 restrictions in place, use of the parks has increased significantly for group functions and meetings. We ask leaders of these groups to please remind their members of the tobacco restrictions,” Mayor Aiello added.

The Olean Police Department will be enforcing the Tobacco Free Park law.
