### **City of Olean Exploring Mural Creation on City Properties**

**August 20, 2021--Olean**—The City of Olean is accepting proposals from Olean artists to create murals on a number of City properties including the Bradner Stadium west facing wall, Bradner Stadium tunnel, War Veterans Park basketball area and Franchot Park basketball/tennis wall. Applicants need not be professional artists.

Letters of interest with a proposal including a creative concept for a mural, sample of work and relevant experience should be sent to Mayor William J. Aiello's office. The Olean Common Council will review the proposals and make a recommendation. The City hopes to have one mural completed this year and will continue the process through next year.
