Masks Required at Olean Municipal Building

January 7, 2022—Olean—William J. Aiello, Mayor of the City of Olean, has announced that starting on Monday, January 10, 2022 all visitors to the Olean Municipal Building and other City-owned facilities will be required to wear masks, regardless of vaccination status. A table at the main entrance of the Municipal building will be equipped with a supply of masks for those who are without a mask. Hand sanitizer will also be available.

“The City is taking all the necessary precautions as we witness an uptick in the number of cases of COVID-19 in Cattaraugus County,” said Mayor Aiello. “When people visit City-owned facilities we want to offer a level of protection to both our residents and our staff. I urge residents to respect this mask request.”
