

NYATEP

Statewide Workforce Equity Analysis Tool (SWEAT)

The SWEAT Scan is a comprehensive tool that aims to uncover the equity gaps that exist within the workforce development sector and highlight what Diversity, Equity & Inclusion efforts are underway.

Here is who should fill out the SWEAT Scan:

- Community Based Organizations, employers, labor unions, higher education institutions, BOCES, & other NYS service providers in the workforce sector who engage in job training, education, and employment services.
- One point person (such as a CEO or HR Director) should be appointed to gather information and input data into the survey.

[Statewide Equity Analysis Tool \(nyatep.org\)](https://nyatep.org) is the link to NYATEP's website where you can learn more and fill out the SWEAT SCAN.

For questions or support in filling out the SWEAT Scan you can contact Evelyn Ortiz, NYATEP Deputy Director at eortiz@nyatep.org.
