City of Olean to Distribute COVID-19 Antigen Home Tests

March 9, 2022—Olean—William J. Aiello, Mayor of the City of Olean, is pleased to announce that the City of Olean has received a number of Covid-19 Antigen home tests from Cattaraugus County for distribution, free of charge, to members of the public and institutions within the City while supplies last. There are two tests per package.

Tests will be available at the Olean Municipal Building at 101 East State Street in the City Clerk's Office. Two packages (four tests) are available per person while supplies last.

If any Olean institutions such as churches, community groups or businesses are interested in obtaining a quantity of the Covid-19 tests, please call Mayor Aiello's office at 716 376 5615 to reserve a supply. The City will send a number of tests to the Olean Public Library. The Library will announce their distribution plans shortly.

"I would like to thank Cattaraugus County Emergency Services for supplying Olean with the tests and encourage anyone interested to stop-by the Municipal Building. Earlier in the year Olean received a supply of masks from the County. They were well received and our supply went very quickly," Mayor Aiello said.
